

Final Term Syllabus Worksheet 2023-24

General Science

Class Two (Diamonds ,Pearls)

NAME : _____

TEACHER : Mrs. ZAMMARA KOUSAR

Unit: 5 Food and Diet

Q .Fill in the blanks:

1. Eating healthy food makes us _____. (strong, weak)
2. Cereals give us _____. (light, energy)
3. Meat makes our _____ strong. (muscles, bones)
4. Milk, yogurt and cheese make our _____ strong. (muscles, bones)
5. We should not eat too many _____. (sweets, fruits)

Unit: 5 Food and Diet

1.What does food give us?

2.Name some healthy foods?

3.Which sugar is good for us?

Unit 6: Environment

Q. Fill in the blanks

- 1.Environment is an _____ around us. (area, spot)
- 2.All environments are _____. (same, different)
- 3.Water and air are _____ things. (living, non-living)
- 4.It is important to keep our environment _____ (healthy, unhealthy)
- 5._____make the environment healthy. (trees, paper)
- 6.Bags made from _____ spoil the environment. (plastic ,paper)

Q. Answer the given questions.

1. What is an environment?

2. Who shares the environment with us?

3. What does 4R's mean?

Q. Match the following.

Land	drinking
Water	farming
Trees	buildings
Rocks	furniture

Unit: 7 Water, Weather and Wind

Q. Fill in the blanks.

- 1.The _____ heats up the water in oceans .(sun , moon)
- 2.The sun makes the air _____. (hot , cold)
- 3.The _____ parts of the Earth are in the middle. (Hottest, coldest)
- 4.Rain is made of _____. (water , air)
- 5.Water from the sky fall down as _____. (sand ,rain)
- 6._____ is what the air around us is like.(weather , wind)

Q. Answer the given questions.

1.What is wind?

2.How can wind be good?

3.How can wind be bad?

4.Name any five weather conditions?

5.Draw the water cycle.

Unit: 8 Materials

Q. Fill in the blanks.

1. A _____ is used to make something new. (Material ,water)
2. _____ comes from the animal's skin. (Leather, cotton)
3. _____ is a natural material. (Clay, paper)
4. _____ is a man-made material. (Nylon, cotton)
5. _____ is used to make balloons. (Rubber, plastic)
6. _____ is used to make saucepans. (Metal, clay)

Q. Answer the given questions.

1. What are natural materials?

2. What are man-made materials?

3. Name any 5 natural materials?

4. Name any 5 man-made materials?

5. Match the following.

wood	wall
brick	furniture
rubber	saucepan
steel	balloon
leather	umbrella
nylon	shoes
clay	clothes
cotton	pots

Unit 9: Forces

Q. Fill in the blanks.

1. Forces make things _____. (move, walk)
2. Push and pull are _____. (forces, senses)
3. A force can change _____ of an object. (colour, direction)
4. Kites fly because of the force of _____. (water, wind)
5. Force of falling water is used to make _____. (Electricity, food)
6. _____ can push the boats in oceans. (sun , wind)

Q. Answer the given questions.

1. What is force?

2. How can we use the force of water and wind?

3. How does a force act on something?

Unit 10: Heat and Light

Q. Fill in the blanks.

1. The _____ is the biggest source of heat and light. (Sun, Star)
2. Light can pass through _____ materials. (Transparent, opaque)
3. Light cannot pass through _____ materials. (Opaque, transparent)
4. Some of the light can pass through _____ materials. (Translucent, transparent)
5. _____ is a good conductor of heat. (metal, wood)
6. _____ is a bad conductor of heat. (cloth, glass)

Answer the given questions.

1. What are good conductors of heat?

2. What are bad conductors of heat?

3. Name any three good conductors?

4. Name any three bad conductors?

Unit 11 Electricity

Fill in the blanks.

1. Electricity is a type of _____. (energy _ force)
2. Electricity can _____ you. (hurt _ save)
3. We must never play with _____ near an electric wire. (water _ sand)
4. A _____ can store a small amount of electricity. (battery _ mains)
5. The path of electricity is known as _____. (circle __ circuit)
6. Never touch an electric outlet with _____ hands. (wet _ dry)

Q. Answer the given questions.

1.What is mains electricity?

2. What do batteries do ?

3. What four things are needed to complete a circuit?

4. Draw a simple circuit ?

Unit 12 : Sound

Fill in the blanks.

1. Sound travels in _____. (waves _ lines)
2. The steady movements are called _____. (actions _ vibrations)
3. Our _____ collects the sound waves .(ears _ nose)
4. The _____ turns vibrations into sound. (brain_ nose)
5. Sound can be _____. (see_ heard)
6. Sound_____ from one place to another. (travel _ fly)

Q. Answer the given questions.

1.How does sound travel?

2. Which part of the body turns vibrations into sound?

3. Draw a sound wave of low sound?

4. Draw a sound wave of high sound?

Unit 13: The Solar System

Fill in the blanks.

1.The solar system is made up of all the _____ that orbit the sun. (planets, rocks

2.There are _____ planets in our solar system. (nine , eight)

3. _____ is the only planet we live on. (earth , mars)

4. _____ is the biggest planet in the solar system. (mercury , Jupiter)

5. _____ is the closest planet to the sun. (Venus , mercury)

6. _____ is the farthest planet from the sun. (earth , Neptune)

7. _____ is the coldest planet. (Venus , Uranus)

8.Mars has _____ moons. (two , three)

Questions and answers

1.What is the solar system?

2.Which is the smallest planet in our solar system?

4.Which is the closest planet to the Earth?

5.Which planet has rings of ice and rock?

6.Match the following:

Earth

biggest

Mercury

similar to mars

Uranus

smallest

Jupiter

farthest

Neptune

coldest
